RE: Health Assessment Request

Casteel, Sue

Mon 11/24/2014 1:16 PM

To: Newman, Keriema <Newman.Keriema@epa.gov>;

Keriema,

I will see if I can locate copies of the documents ATSDR created for similar sites. If I can find them I will forward to you.

Sue

From: Newman, Keriema**Sent:** Friday, November 21, 2014 12:29 PM**To:** Casteel, Sue**Cc:** Adams, Glenn**Subject:** RE: Health Assessment Request

Sue

We will revisit our discussion from the meeting and provide a response shortly.

Glenn had an additional question he wanted me to ask. During our meeting you had mentioned that ATSDR and EPA had worked together on other sites and came up with text that both agencies could agree on based on the lead issue. Can you provide copies of those documents? Or the name of the sites, so that EPA can review those documents.

From: Casteel, Sue**Sent:** Thursday, November 20, 2014 5:05 PM**To:** Newman, Keriema**Subject:** RE: Health Assessment Request

Keriema,

It was my understanding following the 11/6 meeting that EPA would provide a list of the question(s) they would like ATSDR to answer in the health consultation. As soon as we get the list of question(s) EPA would like answered I will forward to my supervisor, and he will request someone be assigned to work on the health consultation.

REDACTED, Exemption 5, DPP, Inter-agency communication

I will be glad to coordinate a meeting with EPA and your contractors as soon as an ATSDR health assessor has been assigned to the project.

I received the user name and password for the database and opened it today. Thanks for coordinating this for me. Please call me on my cell phone at 404-747-4185 if you would like to discuss tomorrow. I will be out of the office, returning Monday.

Subject: RE: Health Assessment Request

Thanks Jennifer. I will forward to my manager at ATSDR headquarters to request a public health assessment.

ATSDR and EPA staff who are working on the 35th Avenue Site are having a technical meeting Thursday at 1 pm to discuss the public health assessment for the site. If you are interested in participating please let me know and I will send you the call-in number.

Subject: Health Assessment Request

Hi Sue. Since Bob Safay has retired, I am not sure who to direct these memos to. This was the way that we notified ATSDR of a NPL proposal and requested the ATSDR Health Assessment.

Attached is the memo and documentation record for the 35th Avenue site. Please let me know if there is anything else you need from me. Thank you!

To: Newman, Keriema <Newman.Keriema@epa.gov>;

C: Langman Danielle <dzl4@cdc.gov>;

Good morning Keriema,

Danielle Langman, ATSDR health assessor, has been assigned to write the 35th Avenue Site health consultation. We would like to schedule a meeting December 1, 4 or 5 to talk to you and your contractor about the site and to make plans for Danielle to get access to the data set. Please let me know your availability so I can finalize the meeting time.

I look forward to working with you on the site. If you would like to discuss prior to the meeting please call me.

I have copied Danielle on this email so you will have her email address.
